## **Introduction ..... Ix**

## **Clinical features of some adverse drug interactions ..... Ixix**

### **Part 1 Cardiovascular drugs ..... 1**

|   |     |
|---|-----|
| Introduction .....                              | 1   |
| Aliskiren .....                                 | 7   |
| Antiarrhythmics .....                           | 8   |
| Antihypertensives and heart failure drugs ..... | 34  |
| Antiplatelet drugs .....                        | 54  |
| Beta-blockers .....                             | 62  |
| Calcium channel blockers .....                  | 78  |
| Cardiac glycosides .....                        | 98  |
| Diuretics .....                                 | 107 |
| Ivabradine .....                                | 119 |
| Lipid-lowering drugs .....                      | 120 |
| Nitrates .....                                  | 130 |
| Peripheral vasodilators .....                   | 133 |
| Potassium channel activators .....              | 137 |
| Selective phosphodiesterase inhibitors .....    | 138 |
| Sympathomimetics .....                          | 138 |

### **Part 2 Drugs acting on the nervous system ..... 147**

|   |     |
|---|-----|
| Introduction .....  | 147 |
| Antidementia drugs .....  | 155 |
| Antidepressants .....   | 156 |
| Antiemetics .....   | 203 |
| Antiepileptics .....  | 209 |
| Antimigraine drugs .....  | 228 |
| Antiobesity drugs .....   | 236 |
| Antiparkinson's drugs .....   | 239 |
| Antipsychotics .....  | 251 |
| Anxiolytics and hypnotics .....   | 263 |
| CNS stimulants .....  | 274 |
| Drug dependence therapies .....   | 279 |
| Drugs used to treat neuromuscular diseases and movement disorders ..... | 283 |

## CONTENTS

|   |            |
|---|------------|
| <b>Part 3 Anticancer and immunomodulating drugs</b> | <b>287</b> |
| Introduction  | 287        |
| Cytotoxics  | 289        |
| Hormones and hormone antagonists                    | 346        |
| Other immunomodulating drugs                        | 350        |
| <b>Part 4 Anticoagulants</b>                        | <b>389</b> |
| Introduction  | 389        |
| Anticoagulants – oral                               | 390        |
| Anticoagulants – parenteral                         | 399        |
| Thrombolytics                                       | 401        |
| <b>Part 5 Antidiabetic drugs</b>                    | <b>403</b> |
| Introduction  | 403        |
| Insulin   | 405        |
| Metformin   | 413        |
| Sulphonylureas                                      | 421        |
| Other diabetic drugs                                | 433        |
| <b>Part 6 Other endocrine drugs</b>                 | <b>453</b> |
| Bisphosphonates                                     | 454        |
| Danazol   | 454        |
| Desmopressin  | 454        |
| Diazoxide   | 454        |
| Dutasteride   | 454        |
| Female sex hormones                                 | 454        |
| Gestrinone  | 454        |
| Glucagon  | 454        |
| Nandrolone  | 455        |
| Somatropin (growth hormone)                         | 455        |
| Steroid replacement therapy                         | 455        |
| Strontium ranelate                                  | 455        |
| Testosterone  | 455        |
| Thyroid hormones                                    | 456        |
| Trilostane  | 458        |
| <b>Part 7 Analgesics</b>                            | <b>459</b> |
| Introduction  | 459        |
| Acetaminophen                                       | 461        |
| Nefopam   | 461        |
| Non-steroidal anti-inflammatory drugs (NSAIDs)      | 462        |
| Opioids   | 470        |
| Paracetamol   | 479        |
| <b>Part 8 Musculoskeletal drugs</b>                 | <b>481</b> |
| Introduction  | 481        |
| Antigout drugs                                      | 482        |
| Drugs affecting bone metabolism                     | 488        |

## CONTENTS

|   |            |
|---|------------|
| Drugs treating inflammatory arthropathies .....                 | 488        |
| Skeletal muscle relaxants .....                                 | 488        |
| <b>Part 9 Anaesthetic drugs .....</b>                           | <b>492</b> |
| Introduction .....  | 492        |
| Anaesthetics – general .....                                    | 494        |
| Anaesthetics – local .....                                      | 498        |
| Anticholinesterases .....                                       | 502        |
| Antimuscarinics .....   | 502        |
| Benzodiazepines .....   | 502        |
| Dantrolene .....  | 502        |
| Muscle relaxants – depolarizing and non-depolarizing .....      | 502        |
| Opioids .....   | 505        |
| <b>Part 10 Drugs to treat infections .....</b>                  | <b>506</b> |
| Introduction .....  | 506        |
| Antibiotics – aminoglycosides .....                             | 510        |
| Antibiotics – beta-lactams .....                                | 513        |
| Antibiotics – macrolides .....                                  | 515        |
| Antibiotics – penicillins .....                                 | 525        |
| Antibiotics – quinolones .....                                  | 526        |
| Antibiotics – rifamycins .....                                  | 532        |
| Antibiotics – sulphonamides .....                               | 541        |
| Antibiotics – tetracyclines .....                               | 546        |
| Other antibiotics .....   | 549        |
| Antifungal drugs .....  | 561        |
| Antimalarials .....   | 580        |
| Other antiprotozoals .....                                      | 592        |
| Antivirals – antiretrovirals .....                              | 596        |
| Antivirals – other .....  | 628        |
| <b>Part 11 Drugs acting on the gastrointestinal tract .....</b> | <b>633</b> |
| Introduction .....  | 633        |
| Antacids .....  | 634        |
| Antidiarrhoeals .....   | 636        |
| Antiemetics .....   | 637        |
| Antimuscarinics .....   | 637        |
| Drugs affecting bile .....                                      | 637        |
| Drugs used to treat inflammatory bowel disease .....            | 637        |
| H <sub>2</sub> receptor blockers .....                          | 638        |
| Pancreatin .....  | 648        |
| Proton pump inhibitors .....                                    | 649        |
| Sucralfate .....  | 654        |
| Tripotassium dicitratobismuthate .....                          | 655        |
| <b>Part 12 Respiratory drugs .....</b>                          | <b>656</b> |
| Introduction .....  | 656        |
| Antihistamines .....  | 658        |

## CONTENTS

|   |            |
|---|------------|
| Bronchodilators .....   | 662        |
| Doxapram .....  | 673        |
| Leukotriene receptor antagonists .....                        | 673        |
| <b>Part 13 Metabolic drugs .....</b>                          | <b>675</b> |
| Agalsidase .....  | 676        |
| Laronidase .....  | 676        |
| Penicillamine .....   | 676        |
| Sodium phenylbutyrate .....                                   | 676        |
| Trientine .....   | 676        |
| <b>Part 14 Drugs used in obstetrics and gynaecology .....</b> | <b>677</b> |
| Danazol .....   | 678        |
| Ergometrine .....   | 678        |
| Female hormones .....   | 678        |
| Gestrinone .....  | 684        |
| Mifepristone .....  | 684        |
| Oxytocics .....   | 684        |
| Prostaglandins .....  | 684        |
| Raloxifene .....  | 685        |
| Tibolone .....  | 685        |
| <b>Part 15 Urological drugs .....</b>                         | <b>686</b> |
| Urinary retention .....                                       | 687        |
| Urinary incontinence .....                                    | 687        |
| Erectile dysfunction .....                                    | 688        |
| Urinary alkalization .....                                    | 690        |
| <b>Part 16 Drugs of abuse .....</b>                           | <b>691</b> |
| Cannabis .....  | 692        |
| Amphetamines .....  | 699        |
| Ecstasy (MDMA) .....  | 701        |
| Cocaine .....   | 703        |
| Heroin .....  | 704        |
| Hallucinogens .....   | 704        |
| Gamma hydroxybutyric acid .....                               | 704        |
| Amyl nitrite .....  | 704        |
| <b>Part 17 Miscellaneous .....</b>                            | <b>705</b> |
| Introduction .....  | 705        |
| Alcohol .....   | 713        |
| Grapefruit juice .....  | 720        |
| Minerals .....  | 733        |
| Herbal drugs .....  | 742        |
| <b>Part 18 Over-the-counter drugs .....</b>                   | <b>760</b> |
| Introduction .....  | 760        |
