3. Effective Professional Caregivers: Seven Sensitivities 29
 - Sensitivity to the Whole Person 30
 - Sensitivity to the Problem of Pain and Discomfort 31
 - Sensitivity to Honest, Open, and Mutual Communication 33
 - Sensitivity to the Individual's Autonomy 38
 - Sensitivity to the Individual's Needs 39
 - Sensitivity to Cultural Differences 40
 - Sensitivity to Goals 45

4. The Skilled Counselor	47
Skill as a Counselor	47
Sensitivity to Families	51
<i>Herr and Weakland's (1979) Model</i>	52
<i>Network Intervention</i>	53
Sensitivity to Different Age Groups, Populations, and Generational Cohorts	55
<i>Working With Children and Adolescents</i>	56
<i>Working With Individuals With Intellectual Disability</i>	62
<i>Working With Older Persons</i>	64
<i>Sensitivity to Generational Differences</i>	68
Sensitivity to Self	73
5. Responses to Life-Threatening Illness	79
Physical Responses	80
<i>Physical Manifestations of Stress</i>	80
<i>Preoccupation With Health</i>	80
Cognitive Responses	81
<i>Shock</i>	81
<i>Denial</i>	81
<i>Egocentricity and Constriction of Interests</i>	83
<i>Bargaining</i>	84
<i>Changes in Body Image and Self-Esteem</i>	85
<i>"Near-Death" and Other Extraordinary Experiences</i>	86
<i>Other Dreams and Sleep Disturbances</i>	87
<i>Existential Plight, Reassessment of Life, and Mortality</i>	88
<i>Cognitive Impairments and Psychiatric Disturbances</i>	88
<i>Suicidal Thoughts</i>	89
<i>Hope</i>	89
Emotional Responses	90
<i>Guilt and Shame</i>	90
<i>Anger</i>	91
<i>Jealousy and Envy</i>	92
<i>Fear and Anxiety</i>	93
<i>Grief, Sadness, and Depression</i>	94
<i>Resignation</i>	95
<i>Other Emotional Responses</i>	96
Behavioral Responses	96
<i>Hypersensitivity</i>	96
<i>Humor</i>	97
<i>Disengagement</i>	97
<i>Mastery and Control Behaviors</i>	98
<i>Regression and Dependent Behaviors</i>	99
<i>Acting Out and Resisting Behaviors</i>	100
Spiritual Responses	100
<i>Changes in Spiritual Behaviors</i>	100

<i>Seeking a Miracle</i>	101
<i>Transcendent Behaviors</i>	102
<i>A Search for Meaning</i>	103
<i>A Sense of Connection and Control</i>	103
Conclusion	103
6. Understanding the Illness Experience	105
Disease-Related Factors: What Are the Particular Issues Raised by the Illness?	106
<i>The Nature of the Disease</i>	106
<i>Predictability of the Disease Course</i>	106
<i>Symptoms</i>	107
<i>Psychological Effects</i>	107
<i>Social Consequences</i>	108
<i>Disease Trajectory</i>	108
<i>Treatment Differences</i>	109
When Does Disease Strike? The Importance of the Life Cycle	110
<i>Infancy and Early Childhood</i>	110
<i>The School-Age Child</i>	112
<i>Adolescence</i>	113
<i>The Young Adult</i>	115
<i>The Middle-Aged Adult</i>	116
<i>The Older Adult</i>	116
Social and Psychological Factors	117
<i>Characteristics Such as Gender, Race, Ethnicity and Culture, Social Class, and Income</i>	117
<i>Intellectual Ability, Knowledge, Education, and Prior Experience</i>	118
<i>The Meaning of Illness, Life, and Death: Religious, Spiritual, and Philosophical Systems</i>	118
<i>Personality, Coping Skills, and Will to Live</i>	119
<i>Informal Support: The Importance of Family, Friends, and Confidantes</i>	119
<i>Formal Support</i>	120
<i>Concurrent Crises</i>	120
Conclusion	120
7. The Prediagnostic Phase: Understanding the Road Before	121
Symptom-Related Factors	123
<i>How Apparent, Recognizable, and Serious Are the Symptoms?</i>	123
<i>How Disruptive Are the Symptoms?</i>	123
<i>How Frequent and Persistent Are the Symptoms?</i>	123
<i>Possible Alternative Interpretations</i>	124
Physical and Psychological Factors	124
<i>Tolerance Thresholds</i>	124
<i>Basic Beliefs and Knowledge</i>	125
<i>Anxiety Level</i>	125

<i>Personality Characteristics</i>	126
<i>Childhood Experiences</i>	126
Situational Factors	127
<i>Social Context</i>	127
<i>Competing Needs</i>	127
<i>Availability of Help</i>	128
Social Factors	128
<i>Culture</i>	128
<i>Social Class</i>	129
<i>Educational Level</i>	129
<i>Gender Roles</i>	130
<i>Age</i>	130
<i>Other Social Roles and Behaviors</i>	130
The Process of Health Seeking	131
Health Seeking in Other Contexts	132
8. Counseling Clients Through the Crisis of Diagnosis	135
The Diagnostic Divide: The Acute Phase	135
<i>Understanding the Disease</i>	138
<i>Examining and Maximizing Health and Lifestyle</i>	140
<i>Maximizing One's Coping Strengths and Limiting Weaknesses</i>	141
<i>Developing Strategies to Deal With Issues Created by Disease</i>	145
<i>Exploring the Effect of Illness on Sense of Self and Relationships With Others</i>	153
<i>Ventilating Feelings and Fears</i>	154
<i>Incorporating the Present Reality of the Diagnosis Into One's Sense of Past and Future</i>	155
The End of the Acute or Diagnostic Phase	157
9. Counseling Clients in the Chronic Phase of Illness	159
The Chronic Phase: An Overview	159
<i>Managing Symptoms and Side Effects</i>	163
<i>Carrying Out Health Regimens</i>	167
<i>Preventing and Managing Medical Crises</i>	171
<i>Managing Stress and Examining Coping</i>	173
<i>Maximizing Social Support and Minimizing Social Isolation</i>	174
<i>Normalizing Life in the Face of Disease</i>	176
<i>Dealing With Financial Concerns</i>	180
<i>Preserving Self-Concept</i>	181
<i>Redefining Relationships With Others Throughout the Course of the Disease</i>	182
<i>Ventilating Feelings and Fears</i>	183
<i>Finding Meaning in Suffering, Chronicity, Uncertainty, or Decline</i>	185
The End of the Chronic Phase	186

10. Counseling Clients in Recovery	187
Dealing With the Physical, Psychological, Social, Financial, and Spiritual Residues of Illness	188
Coping With Ongoing Fears and Anxieties, Including Fear of Recurrence	190
Examining Life and Lifestyle Issues and Reconstructing One's Life	191
Redefining Relationships With Caregivers	193
11. Counseling Clients in the Terminal Phase	195
Discussing Death	198
Decisions in the Terminal Phase	201
<i>Should the Person Enter a Hospice Program?</i>	201
<i>Ethical Issues at the End of Life</i>	203
Tasks of the Terminal Phase	205
<i>Dealing With Symptoms, Discomfort, Pain, and Incapacitation</i>	205
<i>Managing Health Procedures and Institutional Procedures</i>	208
<i>Managing Stress and Examining Coping</i>	209
<i>Dealing Effectively With Caregivers</i>	211
<i>Preparing for Death and Saying Good-Bye</i>	212
<i>Preserving Self-Concept</i>	214
<i>Preserving Relationships With Family and Friends</i>	215
<i>Ventilating Feelings and Fears</i>	217
<i>Finding Meaning in Life and Death</i>	219
End-of-Life Phenomena	225
The Special Problem of the Comatose Person	226
As Death Approaches	227
12. Counseling Families During a Life-Threatening Illness	229
The Experience of Illness: A Family Perspective	230
Assessing Factors That Affect Family Reactions	237
Assessing Caregiving	239
Family Tasks Throughout the Illness	240
<i>The Prediagnostic Phase</i>	240
<i>The Diagnostic Phase</i>	241
<i>The Chronic Phase</i>	246
<i>Marshalling Outside Support and Resources</i>	248
<i>Normalizing Life in the Face of Disease</i>	250
<i>Ventilating Feelings and Fear</i>	251
<i>Finding Meaning in Suffering, Chronicity, Uncertainty, and Decline</i>	251
<i>Families and Recovery</i>	251
<i>The Terminal Phase</i>	252
<i>Coping With Caregivers and Institutions</i>	252
<i>Emotionally Restructuring Relationships With the Dying Person</i>	253
<i>Effectively Utilizing Resources</i>	253
<i>Dealing With One's Own Emotions and Grief</i>	254

Contents

<i>Understanding the Human Needs of the Dying Person</i>	254
<i>Maintaining Relationships With the Dying Member and Continuing to Incorporate the Dying Person Within the Family System</i>	254
<i>Realistically Planning for the Dying and Death of the Person</i>	255
<i>Planning for the Continuation of Family Life Throughout the Terminal Phase and After the Death</i>	256
<i>Finding Meaning in Life and Death</i>	256
<i>Supporting Families at the Time of Death</i>	257
<i>After the Death</i>	258
<i>Conclusion</i>	263
<i>Appendix</i>	265
<i>References</i>	271
<i>Index</i>	285
