Part I From Diagnostic Categories to Multidimensional Concepts in Psychiatry

- 1 **Comorbid Psychiatric Disorders in Schizophrenia: More than Just a Chance Co-occurrence** 3
Peter F. Buckley and Michael Y. Hwang
- 2 **Comorbid Psychiatric Disorders in Obsessive-Compulsive Disorder: The Spectrum Concept** 11
Anne Katrin Külz and Ulrich Voderholzer

Part II Phenomenology

- 3 **Clinical Presentation of Obsessive-Compulsive Symptoms in Patients with Psychotic Disorders Psychopathological Concepts, Differential Diagnosis, and Symptom Presentation** 33
Lieuwe de Haan and Mathias Zink
- 4 **Epidemiology: Prevalence and Clinical Characteristics of Obsessive-Compulsive Disorder and Obsessive-Compulsive Symptoms in Patients with Psychotic Disorders** 47
Frederike Schirmbeck, Marije Swets, and Lieuwe de Haan
- 5 **Obsessive-Compulsive Disorder with Schizotypal Personality Disorder (Schizotypal OCD)** 63
Michael Poyurovsky
- 6 **Associations of Comorbid Obsessive-Compulsive Symptoms with Psychotic and Affective Symptoms and General Functioning** . . 77
Helen K. Hunter and Paul H. Lysaker

Part III Neurobiology

- 7 **The Neurocognitive and Behavioural Impact of Comorbid Obsessive-Compulsive Syndrome in Schizophrenia** 91
Yana Varlakova, Devina D. Patel, Kaushik Mukhopadhaya, Keith R. Laws, Eilam David, Kaur Sukwinder, and Naomi A. Fineberg
