## **SECTION I**

---

### **Utilizing the *DSM-5*: Assessment, Planning, and Practice Strategy**

<b>Chapter 1 Getting Started</b>	<b>3</b>
Introduction	3
Beginning the Process	3
Making the Diagnostic Assessment: Tools That Facilitate the Assessment Process	4
Role of Social Workers and Other Mental Health Professionals	4
Development of the <i>DSM</i> Classification System: History and Reservations	6
Diagnostic Labels	14
Another Mental Health Assessment Measure	16
Professional Training in the Professional Counseling Fields	18
Summary	19
Questions for Further Thought	20
References	20
<b>Chapter 2 Basics and Application</b>	<b>23</b>
Utilizing the <i>DSM-5</i> in the Practice Setting	23
Working as Part of a Team: Connections and Collaborations	25
Diagnosis and Assessment: Is There a Difference?	28
A Combination Approach: The Diagnostic Assessment	33
<i>DSM-5</i> Updates and Structural Changes	35
<i>DSM-5</i> : Sections and Appendices	39
Important Sections in the <i>DSM-5</i>	45
Culture, Age, and Gender-Related Information	47
Concepts of Distress	53
Culture and Other Diagnostic Assessment Factors Related to Age	57
Culture and Other Diagnostic Assessment Factors Related to Gender	59

Summary	66
Questions for Further Thought	67
References	67

### **Chapter 3 Completing the Diagnostic Assessment** **70**

Basics for Completing a Comprehensive Diagnostic Assessment	70
DSM-5 and Completing the Diagnostic Assessment	74
The Principal Diagnosis	76
Subtypes and Course Specifiers	86
Ethical and Legal Considerations	101
Pulling It All Together	102
Summary	104
Questions for Further Thought	105
References	105

### **Chapter 4 Applications** **107**

Documentation, Treatment Planning, and Practice Strategy	107
Treatment and Intervention Planning	116
Developing the Treatment Plan	120
Selecting an Intervention Framework	123
Practice Strategy and Application	127
Types of Time-Limited Therapy in Mental Health Practice	131
Summary	140
Questions for Further Thought	143
References	143

## **SECTION II**

### **Diagnostic and Treatment Applications**

### **Chapter 5 Schizophrenia Spectrum and the Other Psychotic Disorders** **149**

<i>Sophia F. Dziegielewska</i>	
Introduction	149
Toward a Basic Understanding of the Conditions	150
Understanding Individuals Who Suffer From the Psychotic Disorders	151
Important Features Related to the Psychotic Disorders	153
DSM-5: Assessment of Symptoms Measurement	157
Overview of Schizophrenia Spectrum and Other Psychotic Disorders	160
Schizophrenia	167
Beginning the Diagnostic Assessment	173

---

Schizophrenia and Factors for Consideration in the Diagnostic Assessment	174
Case Application of the Diagnostic Assessment	181
Treatment Planning and Intervention Strategy	186
Special Topics	195
Summary and Future Directions	196
References	197

## **Chapter 6 Bipolar and Related Disorders** **202**

*Sophia F. Dziegielewski and Olga Molina*

Introduction	202
Toward a Basic Understanding of the Bipolar and Related Disorders	202
Understanding Individuals Who Suffer From Bipolar and Related Disorders	204
Overview of the Bipolar and Related Disorders	212
Summary of Bipolar Disorders	221
Diagnostic Assessment in Adults With Bipolar Disorder	222
General Intervention Strategies: Models and Treatment Modalities for the Bipolar Disorders	232
Special Topics	236
Summary and Future Directions	238
References	239

## **Chapter 7 Depressive Disorders** **242**

*Sophia F. Dziegielewski*

Introduction	242
Toward a Basic Understanding of the Disorders	243
Important Features Related to the Depressive Disorders	244
Endogenous and Exogenous Depression: Making a Distinction	246
Overview of the Depressive Disorders	247
The Depressive Disorders and the Diagnostic Assessment	259
Special Topics	270
Assessment of Danger to Self or Others	271
Summary and Future Directions	272
References	273

## **Chapter 8 Obsessive-Compulsive and Related Disorders** **278**

*Sophia F. Dziegielewski and Barbara F. Turnage*

Introduction	278
Toward a Basic Understanding of the Obsessive-Compulsive and Related Disorders	278

Understanding Individuals Who Suffer From the OCD Spectrum Disorders: When Urges Become Overwhelming	280
Important Features Related to the Obsessive-Compulsive and Related Disorders	281
Overview of the Obsessive-Compulsive and Related Disorders	283
Toward a Better Understanding of Obsessive-Compulsive Disorder	289
Obsessive-Compulsive Disorders and the Factors for Consideration in the Diagnostic Assessment	291
Summary and Future Directions	306
References	306

## **Chapter 9 Trauma- and Stressor-Related Disorders** **309**

*Sophia F. Dziegielewski and Barbara F. Turnage*

Introduction	309
Toward a Basic Understanding of Trauma- and Stressor-Related Disorders	309
Understanding Individuals Who Suffer From the Trauma- and Stressor-Related Disorders	310
Important Features Related to the Trauma- and Stressor-Related Disorders	311
Overview of the Trauma- and Stressor-Related Disorders	313
Beginning the Diagnostic Assessment	321
Pulling It All Together: An Integrated Approach	333
Summary and Future Directions	335
References	335

## **Chapter 10 Sexual Dysfunctions** **338**

*Sophia F. Dziegielewski and Joshua Kirven*

Introduction	338
Toward a Basic Understanding of the Sexual Dysfunctions	338
Individuals Who Suffer From a Sexual Dysfunction	340
Important Features and Terms Related to the Sexual Dysfunctions	341
Overview of the Sexual Dysfunctions	343
Sexual Dysfunctions and the Diagnostic Assessment	353
Completing the Diagnostic Assessment	353
Overview of Treatment Methods for the Sexual Disorders	358
Selected Assessment Scales and Methods for Treating the Sexual Disorders	361
Special Topics	364
Applying a Cultural Competence Lens to Diagnosis	367
Summary and Future Directions	369
References	370

---

<b>Chapter 11</b>	<b>Disruptive Impulse-Control and Conduct Disorders</b>	<b>375</b>
	<i>Sophia F. Dziegielewski and Ana M. Leon</i>	
	Introduction	375
	Living With Problematic Self-Control of Emotions and Behavior	376
	Overview of the Disruptive, Impulse-Control, and Conduct Disorders	377
	The Diagnostic Assessment: Application Basics	387
	General Intervention Strategies: Models and Treatment Modalities	403
	Summary and Future Directions	411
	References	412
<b>Chapter 12</b>	<b>Substance-Related and Addictive Disorders</b>	<b>417</b>
	<i>Sophia F. Dziegielewski</i>	
	Toward a Basic Understanding of the Substance-Related and Addictive Disorders	418
	Understanding the Individuals Who Suffer From the Substance Disorders	419
	Overview of the Substance-Related and Addictive Disorders	425
	Beginning the Diagnostic Assessment: Alcohol-Related Disorders	436
	Treatment Planning and Intervention Strategy	445
	Brief Interventions in Primary Care Settings	453
	Topics of Interest	456
	Misuse of Prescription Medications	461
	Summary and Future Directions	462
	References	463
<b>Chapter 13</b>	<b>Personality Disorders</b>	<b>467</b>
	<i>Sophia F. Dziegielewski and George A. Jacinto</i>	
	Introduction	467
	Toward a Basic Understanding of the Personality Disorders	468
	Understanding Individuals Suffering From a Personality Disorder	468
	What Is a Personality Disorder?	471
	Cluster A Personality Disorders	471
	Cluster B Personality Disorders	475
	Cluster C Personality Disorders	482
	Other Personality Disorders	485
	Summary of the Personality Disorders	487
	Borderline Personality Disorder (BPD)	487
	Strategies for Individual Therapy and Intervention	500
	Section III: Alternative <i>DSM-5</i> Model for the Personality Disorders	502
	Summary and Future Directions	503
	References	504
