## Part I Introduction to Internet Addiction

- |   |          |
|---|----------|
| <b>1 The Evolution of Internet Addiction Disorder .....</b> | <b>3</b> |
| Kimberly Young  |          |

## Part II Neuroscientific Approaches to Internet Addiction

- |  |            |
|--|------------|
| <b>2 Structural Brain Imaging and Internet Addiction .....</b>                                   | <b>21</b>  |
| Fuchun Lin and Hao Lei   |            |
| <b>3 Functional Imaging of Internet Gaming Disorder .....</b>                                    | <b>43</b>  |
| Chih-Hung Ko, Gin-Chung Liu and Ju-Yu Yen  |            |
| <b>4 Internet Addiction and PET .....</b>  | <b>65</b>  |
| Hyun Soo Park and Sang Eun Kim   |            |
| <b>5 Functional Brain Changes in Response to Treatment<br/>of Internet Gaming Disorder .....</b> | <b>77</b>  |
| Doug Hyun Han, Sun Mi Kim and Perry F. Renshaw   |            |
| <b>6 Molecular Genetics, Personality and Internet Addiction .....</b>                            | <b>93</b>  |
| Christian Montag and Martin Reuter   |            |
| <b>7 Autonomic Nervous System and Brain Circuitry<br/>for Internet Addiction .....</b>           | <b>111</b> |
| Andrew Chih Wei Huang  |            |
| <b>8 A Short Summary of Neuroscientific Findings<br/>on Internet Addiction .....</b>             | <b>131</b> |
| Christian Montag, Éilish Duke and Martin Reuter  |            |

**Part III Therapeutical Interventions & Governmental Policies**

<b>9 The Impact of Psychoinformatics on Internet Addiction .....</b>	143
Christian Montag, Martin Reuter and Alexander Markowetz	
<b>10 Pharmacological Treatment of Internet Addiction.....</b>	151
Giovanni Camardese, Beniamino Leone, Coco Walstra, Luigi Janiri and Riccardo Guglielmo	
<b>11 Therapeutic Interventions for Treatment of Adolescent     Internet Addiction—Experiences from South Korea.....</b>	167
Eunsuk Cho	
<b>12 Therapeutic Interventions in the Treatment of Problematic     Internet Use—Experiences from Germany.....</b>	183
Wolfgang Dau, J.D.G. Hoffmann and Markus Banger	
<b>13 The Korean National Policy for Internet Addiction.....</b>	219
Young-Sam Koh	
<b>Appendix: Neuroanatomy .....</b>	235
<b>Glossary .....</b>	245
