

Contents

Part I Introduction

Clinical Manifestations of Neuropsychiatric Disorders	3
Koho Miyoshi and Yasushi Morimura	

Part II Neuropsychiatric Syndromes

Thyroid–Brain Interactions in Neuropsychiatric Disorders	19
Robertas Bunevičius and Arthur J. Prange, Jr.	

Lack of Insight and Awareness in Schizophrenia and Neuropsychiatric Disorders	33
James Gilleen, Kathryn Greenwood, and Anthony S. David	

Visual Hallucinations in Neurodegenerative Disorders	51
Spyridon Papapetropoulos and Blake K. Scanlon	

Organic Delusional Syndrome: Tentative Neuropsychological Mechanism of Delusions	65
Yoshitaka Ohigashi and Makiko Yamada	

Neurological and Psychological Forms of Amnesia	77
Michael D. Kopelman	

Part III Seizure Disorders

The Neuropsychological Aspect of Epilepsy	95
Yoshio Morita	

The Interictal Dysphoric Disorder of Epilepsy	103
Marco Mula	

Neuropsychiatric Symptoms of Seizure Disorders with Special Reference to the Amygdala.....	113
Michael Trimble	
Part IV Traumatic Brain Injury	
Neuropsychiatric Assessment of Traumatic Brain Injury During Acute Neurorehabilitation	125
David B. Arciniegas	
Part V Vascular and Inflammatory Disorders	
Neuropsychiatric Aspects of Vascular Cognitive Impairment.....	149
Ingmar Skoog	
Neuropsychiatric Complications of Cerebrovascular Disease	163
Moises Gaviria and Rhonda DePaul Verzal	
Systemic Inflammation and Cognition in the Elderly	177
Julian Trollor and Emmeline Agars	
Part VI Neurodegenerative Disorders	
Diagnosis and Clinical Relevance of Depression and Apathy in Alzheimer’s Disease	201
Sergio E. Starkstein and Simone Brockman	
Cognitive Decline and Treatment of Alzheimer’s Disease.....	213
Luis Ignacio Brusco	
Alzheimer’s Disease in Japan: Current Situation and Issues of the Care for Persons with Dementia.....	227
Akira Homma	
AD-FTLD Spectrum: New Understanding of the Neurodegenerative Process from the Study of Risk Genes.....	235
