

Contents

1	Phytoactive Compounds from <i>In Vitro</i> Derived Tissues	1
	Anwar Shahzad, Arjumend Shaheen, M. Imran Kozgar, Aastha Sahai, and Shiwali Sharma	
2	Bioreactors: A Rapid Approach for Secondary Metabolite Production	25
	Shiwali Sharma and Anwar Shahzad	
3	Hairy Root Culture: An Efficient System for Secondary Metabolite Production	51
	Shiwali Sharma, Anwar Shahzad, and Aastha Sahai	
4	Elicitation: An Alternative Approach Towards Commercialization of Secondary Metabolite Production.....	79
	Shiwali Sharma and Anwar Shahzad	
5	Plant Natural Products as a Potential Source of Antimicrobial Agents: An Overview and a Glimpse on Recent Developments	93
	Mohd. Shahid, Fazal K. Dar, Abdulrahman Y. Ismaeel, Ali Al-Mahmeed, Khalid Al Sindi, Abida Malik, and Haris M. Khan	
6	Recent Trends in Prevention and Treatment of Dental Caries and Periodontal Disease by Natural Plant Products.....	109
	Pranay Jain and Ram Kumar Pundir	
7	Antimicrobial Activity of Plants Used in México for Gastrointestinal and Respiratory Disorders	131
	Ricardo Salazar-Aranda, Luis A. Pérez-López, Verónica Rivas-Galindo, and Noemí Waksman de Torres	
8	Pharmacognosy, Phytochemistry Pharmacological and Biotechnological approaches of <i>Catharanthus roseus</i> (L.) G. Don.....	189
	Junaid Aslam, Shamim Ajaz, and Malik Mohd. Nadim	

9	Nutraceuticals: Recent Developments and Future Prospectives.....	213
	Pranay Jain and Ram Kumar Pundir	
10	Plant Edible Vaccines: A Revolution in Vaccination	225
	Aastha Sahai, Anwar Shahzad, and Mohd. Shahid	
11	Malaria and Phytomedicine	253
	Adil Raza, Fatima Shujatullah, Haris M. Khan, Mohd. Shahid, and Abida Malik	
12	<i>In Vitro</i> Conservation Protocols for Some Rare Medicinal Plant Species	263
	Anwar Shahzad and Taiba Saeed	
13	<i>In Vitro</i> Conservation Protocols for Some Threatened Medicinal-Plant	293
	Anwar Shahzad and Arjumend Shaheen	
14	<i>In Vitro</i> Conservation Protocols for Some Endangered Medicinal-Plant	305
	Anwar Shahzad and Aastha Sahai	
15	<i>In Vitro</i> Conservation Protocols for Some Commercially Important Medicinal Plants	323
	Anwar Shahzad and Shahina Parveen	
	Index.....	349
