Preface	xiii
---------------	------

Part I: Understanding and Preventing Respiratory Problems

Chapter 1—How the Lungs and Respiratory System Work	3
Chapter 2—Improving Physical Activity and Lung Function.....	9
Chapter 3—Factors That Affect Respiratory System Function	13
Section 3.1—Genetics and Lung Disease.....	14
Section 3.2—Do Allergies Cause Asthma?.....	16
Section 3.3—Asthma and Hormone Changes in Women.....	17
Section 3.4—Asthma during Pregnancy	19
Section 3.5—Chronic Obstructive Pulmonary Disease Risk Factors Different for Men and Women	23
Section 3.6—Aging Changes in the Lungs.....	25

Chapter 4—Toxins, Pollutants, and Respiratory Diseases	27
Section 4.1—Smoking and Respiratory Diseases	28
Section 4.2—Secondhand Smoke and Respiratory Health	38
Section 4.3—Indoor Air Pollution and Respiratory Health.....	41
Section 4.4—Outdoor Air Quality and Health	44
Section 4.5—Climate Change and Airway Diseases	48
Chapter 5—Avoiding Smoke Exposure.....	53
Section 5.1—Where to Get Help to Quit Smoking	54
Section 5.2—Smoking Cessation Tips.....	56
Section 5.3—How to Reduce Passive Smoke Exposure	62
Chapter 6—Preventing Indoor Air Pollution.....	65
Section 6.1—Improving Air Quality at Home.....	66
Section 6.2—Reducing Allergen Exposure at Home.....	70
Section 6.3—Indoor Air Quality in Schools	83
Section 6.4—Using a Respirator at Work	88
Section 6.5—Improving Indoor Air Quality at Work.....	90
Chapter 7—Outdoor Air Pollution: Minimizing the Effects	95
Chapter 8—Statistics and Research on Respiratory Disorders	101
Section 8.1—Overview of Respiratory Disease Statistics	102
Section 8.2—Lung Cancer Rates Vary by Race and Ethnicity	104

Section 8.3—Asthma Disparities in Racial and Ethnic Populations	105
Section 8.4—Recent Research in Lung and Respiratory Disorders.....	113

Part II: Infectious Respiratory Disorders

Chapter 9—Preventing Infectious Diseases	123
Section 9.1—Tips to Prevent Seasonal Flu...	124
Section 9.2—Handwashing Prevents Infectious Diseases.....	126
Section 9.3—Influenza Vaccination.....	128
Section 9.4—Pneumococcal Vaccination	132
Chapter 10—Colds	137
Section 10.1—Common Cold	138
Section 10.2—Bronchitis (Chest Cold).....	140
Chapter 11—Influenza	143
Section 11.1—Types of Influenza Viruses.....	144
Section 11.2—Key Facts about Seasonal Influenza.....	145
Section 11.3—Avian Influenza	151
Chapter 12—Otitis Media	153
Chapter 13—Pertussis	157
Chapter 14—Pneumonia	161
Section 14.1—Pneumonia Basics	162
Section 14.2—Pneumonia Patients Often Experience Inflammation after Infection.....	173
Chapter 15—Sinusitis	175
Chapter 16—Streptococcal Pharyngitis (Strep Throat) and Tonsillitis	185
Section 16.1—Strep Throat	186
Section 16.2—Tonsillitis	188

Chapter 17—Tuberculosis	191
Chapter 18—Other Viral Respiratory Infections	195
Section 18.1—Adenovirus	196
Section 18.2—Bronchiolitis Obliterans: Non-Infectious Pneumonia	198
Section 18.3—Hantavirus Pulmonary Syndrome	200
Section 18.4—Laryngitis	203
Section 18.5—Legionella (Legionnaires Disease).....	206
Section 18.6—Psittacosis	208
Chapter 19—Fungal Infections That Cause Respiratory Complications	211
Section 19.1—Aspergillosis	212
Section 19.2—Blastomycosis	214
Section 19.3—Coccidioidomycosis	215
Section 19.4—Cryptococcosis.....	218
Section 19.5—Histoplasmosis	220
Chapter 20—Inhalation Anthrax	223
 <i>Part III: Inflammatory Respiratory Disorders</i>	
Chapter 21—Asthma	229
Section 21.1—Facts about Asthma.....	230
Section 21.2—Allergic Asthma	245
Section 21.3—Exercise-Induced Asthma.....	248
Section 21.4—Acetaminophen Use and the Risk of Developing Asthma	252
Section 21.5—Controlling Silent Acid Reflux Does Not Improve Asthma	254
Chapter 22—Bronchiectasis	257

Chapter 23—Chronic Obstructive Pulmonary Disease (COPD)	261
Section 23.1—What Is COPD (Emphysema/Chronic Bronchitis)?.....	262
Section 23.2—Alpha-1 Antitrypsin Deficiency: Inherited COPD.....	272
Chapter 24—Idiopathic Pulmonary Fibrosis.....	279
Chapter 25—Interstitial Lung Disease	283
Chapter 26—Occupational Lung Disorders.....	289
Section 26.1—Asbestos and Silica-Related Disease.....	290
Section 26.2—Mold in the Workplace	297
Section 26.3—Occupational Asthma.....	300
Section 26.4—Beryllium Disease	302
Section 26.5—Byssinosis	311
Section 26.6—Hot Tub Lung	313
Chapter 27—Pleural Effusion and Pleurisy (Pleuritis)	315
Chapter 28—Sarcoidosis.....	323
 <i>Part IV: Other Conditions That Affect Respiration</i>	
Chapter 29—Cystic Fibrosis.....	331
Chapter 30—Lung Cancer.....	341
Chapter 31—Lymphangioleiomyomatosis (LAM)	349
Chapter 32—Neuromuscular and Kidney Diseases That Impact Lung Function.....	353
Section 32.1—Amyotrophic Lateral Sclerosis	354
Section 32.2—Goodpasture Syndrome.....	359
Section 32.3—Muscular Dystrophy.....	360
Section 32.4—Myasthenia Gravis.....	363
Chapter 33—Obesity Hypoventilation Syndrome (Pickwickian Syndrome).....	365

Chapter 34—Pulmonary Edema	369
Chapter 35—Pulmonary Embolism	373
Chapter 36—Pulmonary Hypertension	381
Chapter 37—Traumatic Lung Disorders.....	387
Section 37.1—Acute Respiratory Distress Syndrome (ARDS)	388
Section 37.2—Atelectasis.....	390
Section 37.3—Hemothorax	392
Section 37.4—Pneumothorax	394
Section 37.5—Inhalation Injuries to the Lungs.....	397

Part V: Pediatric Respiratory Disorders

Chapter 38—Asthma in Children	403
Chapter 39—Bronchopulmonary Dysplasia	409
Chapter 40—Croup	415
Chapter 41—Human Metapneumovirus	419
Chapter 42—Interstitial Lung Disease in Children	423
Chapter 43—Meconium Aspiration.....	427
Chapter 44—Respiratory Distress Syndrome of the Newborn.....	433
Chapter 45—Respiratory Syncytial Virus (Bronchiolitis)	439
Chapter 46—Sudden Infant Death Syndrome (SIDS)	443
Chapter 47—Transient Tachypnea of the Newborn.....	447

Part VI: Diagnosing and Treating Respiratory Disorders

Chapter 48—Health Care Professionals Who Treat Respiratory Disorders	453
Section 48.1—When You Need a Pulmonologist	454
Section 48.2—Choosing an Asthma Doctor	455
Section 48.3—What Respiratory Therapists Do	456

Chapter 49—Overview of Pulmonary Function Tests and Spirometry	459
Chapter 50—Blood Gases Test	467
Chapter 51—Bronchoscopy	471
Chapter 52—Chest CT Scan.....	477
Chapter 53—Chest MRI	483
Chapter 54—Chest X-Ray	489
Chapter 55—Lung Ventilation/Perfusion Scan	493
Chapter 56—Sweat Test for Cystic Fibrosis.....	499
Chapter 57—Thoracentesis	503
Chapter 58—Tuberculin Tests	507
Chapter 59—Other Respiratory Disorder Tests.....	511
Section 59.1—Gallium Scan	512
Section 59.2—Mediastinoscopy	514
Section 59.3—Pleural Needle Biopsy.....	516
Chapter 60—Medicines for Respiratory Symptoms.....	519
Section 60.1—Antibiotics for Respiratory Infections	520
Section 60.2—Antihistamines	521
Section 60.3—Cough and Cold Medicines for Respiratory Symptoms	524
Section 60.4—Decongestants for Respiratory Symptoms.....	528
Chapter 61—Asthma Medications: Overview of Long-Term Control and Quick-Relief Medications.....	531
Chapter 62—Corticosteroids for Asthma Treatment	537
Chapter 63—Oxygen Therapy.....	541
Chapter 64—Pulmonary Rehabilitation	549
Chapter 65—Lung Surgery	555
Chapter 66—Lung Transplant Surgery.....	561

Part VII: Living with Chronic Respiratory Problems

Chapter 67—Living with Asthma	567
Chapter 68—Following an Asthma Action Plan.....	569
Chapter 69—Aging and Asthma Care	573
Chapter 70—Preparing for Emergency Care If You Have a Respiratory Disease.....	577
Chapter 71—Using a Dry Powder Inhaler	581
Chapter 72—Using a Metered-Dose Inhaler	585
Chapter 73—Using a Peak Flow Meter	591
Chapter 74—Living with Dyspnea.....	595
Chapter 75—Tips for Using Oxygen and Nebulizers.....	599
Section 75.1—Using Supplemental Oxygen Safely.....	600
Section 75.2—Traveling with Portable Oxygen	602
Section 75.3—Using a Nebulizer.....	603
Chapter 76—Breathing Right during Colder Months	605
Chapter 77—Caring for a Child with Asthma.....	609

Part VIII: Additional Help and Information

Chapter 78—Glossary of Terms Related to Respiratory Disorders	615
Chapter 79—Directory of Organizations That Help People with Respiratory Disorders	619
Index.....	627
