1.12.4 Whole school food policy	33
1.13 Non-government initiatives to improve food in schools	33
1.13.1 The Caroline Walker Trust	34
1.13.2 Soil Association – <i>Food for Life</i> campaign	34

1.13.3	Focus on Food Campaign	34
1.13.4	The Health Education Trust	35
1.13.5	Garden Organic	36
1.13.6	Sustain	36
1.13.7	Feed Me Better campaign	36
1.14	The run up to the 2006 food-based standards and 2008/09 nutrient-based standards	37
1.14.1	The School Meals Review Panel	39
1.14.2	The School Food Trust	41
1.15	Interim food-based standards for school lunches	42
1.16	Food-based standards for all other school food and drink	45
1.16.1	Breakfast clubs	46
1.16.2	Breakfast clubs in Scotland	47
1.16.3	Breakfast clubs in Wales	47
1.16.4	Breakfast clubs in Northern Ireland	48
1.16.5	Vending machines	48
1.16.6	Tuck shops	49
1.17	Nutrient-based standards	49
1.18	Final food-based standards	49
1.19	Diverse diets and special dietary needs	50
1.20	Target Nutrient Specifications	50
1.21	Monitoring the new standards	51
1.22	Current system of meals provision	51
1.22.1	The dining environment	52
1.22.2	The cashless payment system	53
1.23	Catering contracts	53
1.23.1	Local authority in-house catering	54
1.23.2	Local authority contract with a private catering company	54
1.23.3	School contract with its own private catering company	54
1.23.4	In-house school meals provision	54
1.24	Catering staff	55
1.25	Expenditure	56
1.25.1	School meal expenditure, pre- new standards	57
1.25.2	School meal expenditure, post new standards	57
1.26	Procurement of school meals	57
1.27	Free school meals	60
1.27.1	Poverty	61
1.27.2	The Hull experience	62
1.27.3	The Scottish free school meals campaign	64
1.28	The lunch box	65
1.28.1	Additional snack foods	67
1.29	Food and cooking in the national curriculum	67
1.30	School food – post new standards	69
1.30.1	Meal uptake	69
1.30.2	Catering facilities	71
1.30.3	What children choose now	71
1.31	Determinants of choice	72
1.31.1	Education	72
1.31.2	School Nutrition Action Groups	73
1.31.3	Peer influence	73

1.31.4	Family influence	74
1.31.5	Advertising	75
1.31.6	What children say	76
1.32	Diet and behaviour	77
1.33	Good practice	79
1.34	School meals in Europe and the US	82
1.34.1	Dietary habits	82
1.34.2	Overweight and obesity	82
1.34.3	School meal provision – Europe	83
1.34.4	United States	87
1.34.5	The National School Lunch Program (NSLP)	89
1.34.6	School Breakfast Program (SBP)	89
1.35	Discussion and conclusion	90

Part 2 Hospitals **103**

Barbara MacDonald

2.1	Introduction	103
2.2	The development of workhouses	104
2.3	Food provision	105
2.3.1	Workhouse food	105
2.3.2	Hospital food	106
