Preface IX

- Chapter 1 **Biological Oxidations and Antioxidant Activity of Natural Products 1**
Xirley Pereira Nunes, Fabrício Souza Silva,
Jackson Roberto Guedes da S. Almeida,
Julianeli Tolentino de Lima, Luciano Augusto de Araújo Ribeiro,
Lucindo José Quintans Júnior and José Maria Barbosa Filho
- Chapter 2 **Antimicrobial and Antioxidant Activities of Some Plant Extracts 21**
Elita Scio, Renata F. Mendes, Erick V.S. Motta,
Paula M.Q. Bellozi, Danielle M.O. Aragão, Josiane Mello,
Rodrigo L. Fabri, Jussara R. Moreira,
Isabel V.L. de Assis and Maria Lúcia M. Bouzada
- Chapter 3 **Antiadhesive Effect of Plant Compounds in Bacteria 43**
Orlando A. Abreu and Guillermo Barreto
- Chapter 4 **Improved Fertility Potential and Antimicrobial Activities of Sesame Leaves Phytochemicals 67**
Lukeman Adelaja Joseph Shittu and Remilekun Keji Mary Shittu
- Chapter 5 **Phytochemical and Antibacterial Studies of the Hexane Extract of *Alchornea cordifolia* Leaf 89**
G.O. Adeshina, O.F. Kunle, J.A. Onalapo,
J.O. Ehinmidu and L.E. Odama
- Chapter 6 **Antioxidant and Anti-Proliferative Capacity of a Dichloromethane Extract of *Dicerocaryum senecioides* Leaves 97**
Leseilane J. Mampuru, Pirwana K. Chokoe, Maphuti C. Madiga,
Annette Theron, Ronald Anderson and Matlou P. Mokgotho
- Chapter 7 **Antioxidant Activity of European Mistletoe (*Viscum album*) 115**
Simona Ioana Vicas, Dumitrita Rugina and Carmen Socaciu

- Chapter 8 **Antioxidant and Anti-Inflammatory Activities of *Sasa quelpaertensis* Leaf Extracts** 135
Se-Jae Kim, Joon-Ho Hwang, Hye-Sun Shin,
Mi-Gyeong Jang, Hee-Chul Ko and Seong-Il Kang
- Chapter 9 **Plant Polyphenols as Antioxidants Influencing the Human Health** 155
Sanda Vladimir-Knežević, Biljana Blažeković,
Maja Bival Štefan and Marija Babac
- Chapter 10 **Plant Polyphenols: Extraction, Structural Characterization, Hemisynthesis and Antioxidant Properties** 181
Nour-Eddine Es-Safi
- Chapter 11 **Potato Peel as a Source of Important Phytochemical Antioxidant Nutraceuticals and Their Role in Human Health – A Review** 207
A. Al-Weshahy and V.A. Rao
- Chapter 12 **Polyamines of Plant Origin – An Important Dietary Consideration for Human Health** 225
Denise C. Hunter and David J. Burritt
- Chapter 13 **The Dichapetalins – Unique Cytotoxic Constituents of the Dichapetalaceae** 245
Dorcas Osei-Safo, Mary A. Chama,
Ivan Addae-Mensah and Reiner Waibel
- Chapter 14 **Screening of some Traditionally Used Plants for Their Hepatoprotective Effect** 255
Saleh I. Alqasoumi and Maged S. Abdel-Kader
